Infinity Tours & Events QUOTE DISCLAIMER

How to Keep Your Costs Low

Our best money-saving tip: Fill your buses and hotel rooms! Try to find that sweet spot with your group size so that shared costs, such as hotel and bus, are evenly distributed. Buses and hotel rooms are a set price regardless of how many individuals occupy them. If you can fill the bus and sleep at maximum occupancy at your hotel (usually 4-6 per room), this will lessen the cost for all travelers. Most other expenses, such as airfare, meals, and entertainment, are incurred on a per person basis.

Complimentary Packages

Depending on the size of the group, usually 1 or 2 complimentary packages are included in each quote. These packages aren't "free" per se; their cost is simply distributed among the rest of the travelers. You may opt not to include complimentary packages.

Participant Numbers

This quote is based on **27 students paying \$1250, 10 chaperones paying \$1250 and 3 complimentary packages for teachers and/or administrators.** Significant modifications to these numbers may result in additional surcharges and/or reduced amenities. Please ensure that your students and parents are committed to participating in tour. Please communicate with them that all tour payments are non-refundable.

Hotel Occupancy and Staff Family Members

This quote accounts for the cost of participants rooming at maximum occupancy (two individuals per queen bed). Additional surcharges apply to participants wishing to room at reduced occupancy. Individuals with complimentary packages will be offered a private hotel room. Any spouses or children wishing to accompany a staff member with a complimentary package are welcome. As long as they share a room with the staff member, they will not be charged any hotel fees.

Trip Modifications

Infinity does not guarantee that fee modifications will be made to accommodate changes to the itinerary. This includes, but is not limited to, changing a round-trip flight to a one-way flight, arriving on a later date or departing on an earlier date than the rest of the group, eliminating the cost of meals, etc. The Infinity Team will always make an effort to accommodate persons with exceptional circumstances.

Please read. Each of the following statements will be initialed as part of the service agreement signed by you or a member of the administration:

_____ I understand that this quote of [\$ student tour fee] is based on # of students rooming at [max/triple/double/single] occupancy.

_____ I understand that the chaperone fee of [\$ chaperone fee] is based on [#] of chaperones rooming at [max/triple/double/single] occupancy.

_____ With the exception of complimentary packages, I understand that any adults wishing to room at less than maximum occupancy, will be expected to pay a surcharge.

_____ I understand that increasing the number of complimentary packages will increase the quote price for students and chaperones.

_____ I understand that spouses of teachers and administrators attending the trip will be charged the chaperone tour fee minus hotel fees.

_____ I understand that children of teachers and administrators attending the trip will be charged the student tour fee minus hotel fees.

_____ I understand that it is my duty to communicate to students and parents that all tour payments are non-refundable.

_____ I will communicate to parents that travel insurance is optional. I understand that if families are interested in purchasing insurance, they must do so within 2 weeks following the first payment date. Insurance is not purchased through Infinity Tours and Events; Infinity recommends [USI Insurance](#), but any reputable insurance company may be selected by the family at their own discretion.

_____ I understand that Infinity does not guarantee that fee modifications will be made to accommodate changes to the itinerary. This includes, but is not limited to, changing a round-trip flight to a one-way flight, arriving on a later date or departing on an earlier date than the rest of the group, eliminating the cost of meals to accommodate a food allergy, etc.

_____ I understand that Infinity will not reserve flights/buses/hotel rooms, until the signing of the service agreement. If there is a significant delay in getting the contract signed, some alterations to the itinerary may need to be negotiated in order to keep the same tour fee.

_____ The school will be billed for payments within 14 days of the payment dates listed on the quote. I will offer my support to finance secretaries and other administrators to ensure invoices are paid on time.

Trip Cancellation Plan & Insurance Options

Since 2020 and the COVID-19 Pandemic we have felt it an important part of our job to inform our participants of possible insurance options. Please be aware that we do not require insurance, but provide this information so those traveling with our company feel confident in their travel plans whether they choose to purchase insurance or not. Should any of the tour participants show interest in purchasing insurance, USI Insurance, is the company we recommend. Here are some reasons why:

USI Insurance offers two different plans that are of interest to our client base; the "Basic Plan" and "CFAR."

The basic plan covers 100% of your investment if the trip is cancelled. A cancellation claim on the basic plan is contingent on specific "reasons." Here are some reasons covered in the basic plan:

- A. Your sickness, accidental injury or death **as certified by a Physician**. This does include a COVID diagnosis but you do need to get a note from your doctor.
- B. sickness, accidental injury or death of a non-traveling family member.
- C. You will be attending a family member's childbirth provided the pregnancy begins after Your effective date(Sept 14) and can be verified by medical records.
- D. after 5 years of continuous employment at the same company, you are terminated or laid-off.
- E. if you are called to active military duty.
- F. There are more allowed reasons. For more details, call (855) 874-0156 to contact the insurance company directly.

With the "Cancel for any reason" or CFAR insurance, you can cancel for any reason up to 48 hours before the trip and claim up to 70% from the insurance company. This would also be appropriate for mental health concerns, conflict, deciding you cant afford it, etc.

There is a pre-existing conditions waiver if you purchase the plan within 14 days of registering for the trip. This covers anybody with preexisting conditions.

CFAR insurance would cover you if chose to cancel your trip with a money-back guarantee as long as you cancel within the 48-hour window. We want to make sure there is a plan for everyone.

If you decide to purchase insurance, you will still pay the FULL TRIP AMOUNT to the school, you will also need to enroll individually and pay the insurance which costs 5-15% of the total cost of the trip DIRECTLY TO USI INSURANCE or the insurance provider of your choice. **YOU WILL NOT PAY THIS TO INFINITY TOURS OR YOUR SCHOOL FINANCE OFFICE. Insurance price is not included in the price of the trip.** In the event that you do cancel your trip, YOU WILL BE RESPONSIBLE TO MAKE THE CLAIM WITH THE INSURANCE PROVIDER ON YOUR OWN. Here is the link to enroll for USI insurance: <https://my.travelinsure.com/infinitytours/?p=50035>

[SCHOOL] Tour Participants can begin enrolling for trip insurance beginning [DEPOSIT DUE DATE] and will have until [DATE - 2 weeks after deposit due date] to purchase insurance via the link above. **CFAR is not available if purchase date is more than 14 days from Initial Deposit date.**

Participants who want to cancel their trip without having purchased insurance will not be eligible for any refunds. We hope that participants understand that the price per person is determined by how many individuals commit to going on the trip, so when even one person drops, it affects everyone's pricing.

Participants who purchase insurance and need to cancel their trip will need to pay the trip IN FULL to the finance office/online portal and then move forward with the claim with the insurance company.

Info Recap:

- I acknowledge that this trip is non-refundable.
- I acknowledge that purchasing insurance through USI insurance or an insurance provider of my choice is the only way to receive a refund if I want to cancel or pull out of the trip my student/participant/myself have committed to.
- I acknowledge that if I purchase insurance and I cancel my trip, I will receive compensation from the Insurance provider and NOT Infinity Tours or the School/Organization the trip is affiliated with. I will also need to make the insurance claim on my own.
- I acknowledge that insurance is completely optional and NOT included in the tour/trip cost.
